## Web Developer

✉ mohammadashif0045@gmail.com ☎ +91 7708554354 📍 Coimbatore,TN

## Profile

To start my software career, I aim to join a professional software company and make valuable contributions through outstanding performances, dedication, strong communication, and leadership skills. My goal is to advance my career while actively supporting the company's growth and accomplishments.

## Project

### Movie Database Website Feb 2023 - Mar 2023

- Developed an Internet Movie Database website using ReactJS, effectively utilizing Hooks to manage the state.
- Utilized effective project management skills to create a mobile-responsive user experience using CSS Flexbox, ensuring cross-platform accessibility to the website on any device, with a primary focus on mobile usage.
- Demonstrated proficient data analysis skills to retrieve and integrate API data, enhancing the functionality and content of the website.

## Course

### Web Techologies Dec 2022 - Mar 2023

- I successfully completed a comprehensive 3-month Front-end Development Course at Xplore IT Corp in Coimbatore, acquiring valuable skills and knowledge in the field.
- Passed the Front-end Development Exam conducted by Jain University in April 2023 with a remarkable score of 77%.
